<b>Action</b>	
Award Bid for the New Marthaler Park Picnic Shelter	
<b>Background</b>	
<p>The renovation project for Marthaler Park includes adding a new picnic shelter. Staff has worked with our consultant, WSB, to select a picnic shelter design that fits best with the park renovation. The Polygon brand shelter is being purchased directly from Northland Recreation, by the City, using a cooperative purchasing agreement through Sourcewell. The \$115,806 cost was the budgeted amount for the project and includes all equipment and installation. Installation will occur on the tail end of the renovation project in 2023.</p>
